

CLÉMENT CARDOT

6 MONTH INTERSHIP AS A SOFTWARE ENGINEER

After having realized several personals and school projects, I developed a real passion for programming. It is this same passion that drives my professional project today. Curious by nature, I like to discover new technologies and adapt very quickly to my environment.

// EXPERIENCE

**Mar. - Mai.
2023**
ANGERS

FULLSTACK WEB DEVELOPPER / PRODUCT OWNER

ESEO (School Project)

With a team of 8 students, we have developped a web application using the SCRUM method. During 3 months, i took on the role of PO while developing both front and back of the application. (Angular + Spring)

**Jul. - Nov.
2022**
BEAUCOUZE

R&D TECHNICIAN INTERN

EVOLIS

My mission was to implement CI/CD pipelines in different projects and to create tools to automate tests and supervision of pipelines. This allowed me to discover tools like Gitlab, Docker, Maven, Robot Framework...

**2020 -
Present**
ANGERS

TRAMWAY DRIVING AGENT

RD-Angers

I drive the tramway in Angers during the school vacations. This job implies to be punctual, responsible and to keep a cool head.

// EDUCATION

2019 - 2024
ANGERS

ESEO ENGINEERING DEGREE

Ecole Supérieure d'Électronique de l'Ouest - Angers

Currently in my final year of engineering, my school allowed me to learn Python, Java, deepen my knowledge in physics, math, electronics but especially to realize several projects.

// VOLUNTEER WORK

**2021 -
Present**
ANGERS

TREASURER AND HEAD OF THE CONCEPTION POLE

ESEO Lab (Student Club)

ESEO Lab is a club whose goal is to promote the culture of «Do It Yourself» through Arduino discovery workshops but also by offering personalized project support.

2018 - 2021
BESANÇON

VOLUNTEER FIREFIGHTER

SDIS 25

Engaged as a volunteer firefighter, I received substantial trainings and carried out many interventions.
